1. [redacted] we worked on a canal which was to supply water to the power plants located in Nizhniy Tagil. Approximately two kilometers away from the project, [redacted] construction work on a northwest-southwest runway at an airport. 50X1
2. To the best of my recollection, the airport was approximately 3,000 to 4,000 meters square and had several completed barracks on it. At the eastern end of the field, south of the Perelaz kolkhoz, work was underway on several hangars and other storage facilities. 50X1
